Event Schedule and General Daily Schedule:

Table with 2 columns: Time and Event Description. Includes times from 10:00 am to 4:30 pm and descriptions like Pit Gates Open, Practice Begins, and Race of Champions Asphalt Modified Series.

Octoberfast '150' Event Specific Rules;

\*Note: 2016 Race of Champions Rule Book - http://www.rocmmodifiedseries.com/#!membershiprules/c9qb (All driver's must have an active membership. Single event memberships will be available at \$25 per membership for this event only).

Note: If any competitor must introduce a backup car any time after qualifying, the competitor must relinquish any earned qualifying position and start from the rear of the field for any race in which the backup car is introduced into competition.

Tires; Only the "Hoosier" M30, M20 and 2020 (stagger tire) will be permitted for this Race of Champions Asphalt Modified event. The tires used for Qualifying must be purchased at the event and will be introduced at the start of the green-white-checker timed hot lap session.

All cars must participate in the Timed Hot Lap session in race trim.

Please note:

Grilles:

- a.) The grille air intake housing at the radiator must maintain a rectangular shape across the front of the nose with the opening being at least as wide as it is high and covering a minimum of 130 square inches.
b.) Only metal grille air intake housings will be permitted.
c.) Horizontal or flat air deflectors must not extend past the outer edge of the grille air intake housing.
d.) The top and bottom panel of the grille air intake housing must mount flush with the side panels.
e.) During qualifying, the grille opening may not be closed off. The opening must remain unaltered and open.

Fuel: Only Sunoco Race Fuels Supreme (112/Blue) and/or Sunoco Race Fuels Standard (110/Purple) will be permitted for competition.

**Series and Contingency Decals:** Will be verified and must be present for payout of award. Race of Champions, Ferris, Hoosier and Sunoco Race Fuels are mandatory. In addition, other contingency decals specific to this event may be mandatory. Other contingency decals are optional but payout is not guaranteed unless decal and product are present.

#### **Race of Champions Asphalt Modified Qualifying Procedure Octoberfest '150' , 2016 Mahoning Valley Speedway:**

- 26 Car Field maximum.
- 26 Car Field maximum. (Two (2) Provisional positions available to the Top-15 in the previous season final championship standings.) Provisional starting positions will be awarded to the first (two) 2 drivers in the Top-15 in Race of Champions Asphalt Modified Series Championship Standings, who have failed to qualify for the feature race provided the competitor that is eligible for the Provisional practices and makes an attempt to qualify through the qualifying races. **For this race only, there will be two provisional starting positions available to the first two (2) drivers in the Top 15 in the Championship Modified Division point standings at Mahoning Valley Speedway, who have failed to qualify for the race provided the competitor is eligible for a Provisional, practices and makes and attempt to qualify through the qualifying races.**
- Time Trials will also determine the line-up for the Qualifying Races, based on the driver's best single lap time for each car during group time trials.
- Top 12 qualifiers in qualifying races will redraw for starting position in the 150-lap feature.
- **The race will be on the 150-point schedule.**

#### **Event Specific Rules / Qualifying and Race Procedures for the "Octoberfest 150" (including Time Trials, Qualifying Races, B-Mains and the 150-lap Feature):**

- The Timed Hot Lap Session will consist of two (2) consecutive green laps with the best recorded lap time being the time of record.
- Qualifying Races will consist of 10 green flag laps. Caution laps will not count.
- All original starts will be side-by-side off turn four at an area designated in the driver's meeting that will be the Start Point until the green flag is displayed.
- All restarts will be in the restart area designated in the driver's meeting.
- The front row must maintain the pace established by the pace car and will be instructed to do so on the one-way and race channel radio. If in the judgment of the Race of Champions Officials, the pace is not maintained a penalty and/or penalties may be issued.
- There will be no "Free Pass" candidate in Qualifying and/or Non-Qualifying Races.

#### **Event Specific Rules / Qualifying and Race Procedures for the "Octoberfest 150" (including Time Trials, Qualifying Races, B-Mains and the 150-lap Feature) continued;**

- The races may be extended past their scheduled distance with a green-white-checker finish.
- The "Octoberfest 150" will be a 150-lap race. Cautions laps will not count. The race may be extended past the advertised distance in the event it needs to be concluded with a green-white-checker finish.
- There will be a four (4) wide pace lap. Odd numbered rows pull to the outside, even numbered rows pull up and fill in. This will be instructed over the one-way and race channel radio.
- The front row must maintain the pace established by the pace car and will be signaled to do so, on the one-way radio, if in the judgment of the Race of Champions Officials, the pace is not maintained a penalty and/or penalties may be issued.
- The leader is the control car on all starts and/or restarts. The leader of the race, including on the original start will have "choice" and be signaled on the one-way radio to choose the inside or outside lane prior to reaching the start/finish line. Only the leader has choice, all other competitors must hold their respective restart position in line behind the leader.
- All restarts until the completion of lap 140 will be double-file with lead lap cars to the front - lapped cars will drop to the inside under caution and rejoin the field beginning after the last car on the lead lap in their order of running on the race track at the time of the caution.
- After the completion of lap 140 all restarts will be single file with lead lap cars to the front until the completion of the event.
- **Pitting. The pits will remain closed until signaled over the race channel and the one-way radio that the pits are open. The field will be aligned by scoring and single file before the pits are opened. Pulling up to pit will not be permitted and will be a one-lap penalty. Cars will be scored as they enter the pits, not as they exit. Cars will pull out of line in their order running and enter the pits for their scheduled pit stop.**
- You may not lose a lap under caution during this event.
- When the caution is displayed or yellow lights are illuminated, get into single-file order, you will be instructed over the one-way radio when it is time to go double-file and/or restart single file.
- If at any time the red flag is displayed and competitors are signaled to stop due to a red flag condition, cars must come to a complete stop. After the field is stopped and is under control, competitors will be instructed over the one-way radio and any vehicle not involved in the red flag incident that needs to pit for service, will be able to pull up to a designated location prior to being released to the pit area on the one-way radio. Any car that pits during the red flag period will be required to restart at the tail end of the field. If any car pits during a red flag situation without following the instruction over the one-way radio, a one (1)-lap penalty may be issued.
- There will be one (1) car eligible for the 'Free Pass Reward' on each caution. The only car eligible will be the first car one (1) lap down. The 'Free Pass' car will be signaled over the one-way radio to pull up behind the pace car, but must not proceed past the pace car until instructed to do so on the one-way radio.
- The race may extend past the advertised 150-lap distance and could end with a green-white-checker finish. There may be multiple attempts at a green-white-checker finish, however, if the leader receives the white flag and the caution is displayed or the yellow lights are illuminated during the white flag lap the cars will be scored on the basis of their track position. PASSING WILL NOT BE PERMITTED, provided the cars maintain a reasonable speed considering the track conditions. Any cars that may be involved and/or the result of the caution will be scored in their respective position following the incident.
- **One-way radios are mandatory. The one-way frequency will be 454.000. A two-way radio system may be used provided the spotter and/or crew chief monitor the one-way and/or race channel frequency. The race channel frequency will be announced at the event.**
- Cars breaking under green flag conditions may exit the race track at any pit entrance / exit.
- It is mandatory to have the following decals on both sides of the car (Race of Champions, Ferris, Sunoco and Hoosier) and the driver must have display (Race of Champions, Ferris, Sunoco and Hoosier) on their driver's uniform.
- To be eligible for other available contingencies you must run the decals. Included is a guided map for two available options to place decals on your vehicle.
- Immediately following the conclusion of the event, the first place car needs to go to the scale first, then we need second and third to the scales and to victory lane. Additional vehicles and/or competitors may be signaled to inspection over the one-way radio following the conclusion of the event
- Race of Champions Officials reserve the right to alter the rules of this and/or any event, provided the competitors are given notice (in advance and/or over the one-way radio) due to any circumstance that require such a change or alteration.

**Technical Inspection:**

- Inspection at Mahoning Valley Speedway will take place at 11:15 am on Saturday, October 22, 2016:

**Inspection to be prepared for:**

- Safety and General Inspection - Carburetor Inspection
- General Body Inspection - Pre-Race Engine Inspection
- Fuel Samples from Fuel Cell - Overall Inspection

**\*\*\* Note:** There will be post-race inspection in the designated inspection area following the completion of Victory Lane Ceremonies.

**Race Weights:**

- 358 Steel Cylinder Head = 2,600 lbs. / 56% LS
- 18 degree 6.8 per cubic inch + 175 / 56% LS
- 23 degree Maximum 368 cubic inch = 2,600 lbs. / 56% LS
- 23 degree Minimum 369 maximum 376 cubic inch = 7.0 lbs. + 175% = 2,600 lbs. / 56% LS
- "NASCAR Spec" Engine = 2,700 lbs. / 55% LS
- **For this event only:** Cars with a fiberglass roof must add 10 lbs. **Cars with a NON Quick Change Rear End must add 15 lbs.**
