

Ward Crozier Sr. Memorial Race Night 5/5/18

At the Mahoning Valley Speedway

Donation Drive

On this night in Ward's honor, all seven divisions, (Modified, Late Model, Street Stocks, Sport Modified, Dirt Modified, Pro 4 and Hobby Stocks), will run 26 lap features. All feature winners will receive a trophy.

At this time, it is our intent to raise monetary donations to be used in any or all of the following ways.

- 1. Increase the Dirt Mod winner's purse. We've chosen this division because they were Wards favorite "Weekend Ride".*
- 2. Hard Luck Award. To be issued to the team experiencing the most damage at the end of the nights events and may be awarded to any team in any division. This is something Ward has done in the past.*
- 3. Lap money. Keep in mind that donations can be given to any position on any individual lap, not necessarily to the leader.*

We are asking for monetary donations, however, product and gift certificate donations will be accepted as well. We will be collecting your pledges beginning mid March thru Race day.

For more information or to make a donation, please contact Betty or Barry Christman on Facebook or call 610 261 0478.

Please show your support to the man that made racing possible at M.V.S. for the past 30 years.
